

# Trust Based Relational Intervention

# TBRI®

## A WORKSHOP FOR FOSTER & ADOPTIVE PARENTS

TBRI® is an attachment-based, trauma-informed intervention that is designed to meet the complex needs of vulnerable children. TBRI® uses Empowering Principles to address physical needs, Connecting Principles for attachment needs, and Correcting Principles to disarm fear-based behaviors. While the intervention is based on years of attachment, sensory processing, and neuroscience research, the heartbeat of TBRI® is connection.

**"When you connect to the heart of a child,  
everything is possible." -Dr. Karyn Purvis**

### Attendees

TBRI® offers practical tools for parents, caregivers, teachers, or anyone who works with children, to see the "whole child" in their care and help that child reach his highest potential. 20 Hours of Resource Parent Training available.

### Logistics
