

HOUSEHOLD ESSENTIALS DRIVE FOR AT-RISK KIDS & FAMILIES

The needs of vulnerable kids and families in the Sacramento Area are great but we have a generous community that can help!

Join us for The Alliance's annual **Household Essential Drive** which supports kids and teens in foster care, refugee and homeless families, foster/adoptive parents, single moms and women facing unplanned pregnancies. All items should be NEW and will be distributed through our network of 100+ Member organizations.
